Our Vision

Our Vision is to provide a unique experience of regular car driving, We had already captured Market of INDIA and NEPAL, and now setting a vision to move globally.

Our Mission

We intend to accomplish our purpose by cultivating a happy, high quality, results driven work atmosphere that fosters long term connections. The results we deliver to our customers are how we measure our performance. Our ethics are based on our commitment to provide superior client service.

About Us

4Tel's Automation is India based Automation Company that provides several Services for most comfortable driving Experience.

4Tel's Automation was founded by a middle class, Small town boy, Named *Mr. Vikas K Patel*, on late 2018 as an automobile modification company "*4tel's Modification*". We have designed Several Bikes & Cars.

As market needs some evolution as market grows generation to generation. We have shaken hands with several personalities and founded most suitable products like CITYCLUTCH.

Not only in **INDIA**, we have grown our roots to **INDONESIA** as well.

Our Core Values

4Tel's Automation's basic values of communication, commitment, and great client service run through everything they do. We pay close attention to our customers' needs and take a holistic approach to their comfortable driving requirements. We're proud of our unwavering commitment to maximising the value of our clients' automative Intrests .

Our Team

The Design Is not for Use

MR. VIKAS K PATEL

Founder & Director Desk

The very own founder of *4Tel's Automation*, **Mr. Vikas K Patel** was born on 25-March-1996, he was too passionate and dedicated towards his Working and Goals since his late School days, Looking towards his intrest in automobile customisation he started *4Tel's Modification* in 2018, Later he flew to Indonesia & Vietnam for business expansion in global level. Currently he manages the Ownership of *4Tel's Automation*, as only director of the Firm

If you never fail, you never Succeed
~Vikas

MR. ARVIND PATEL

Business Advisor & Manufacturer
